

Instructions on Online Application System Operation for Intercollegiate Course Enrollment of Non-NCKU Students

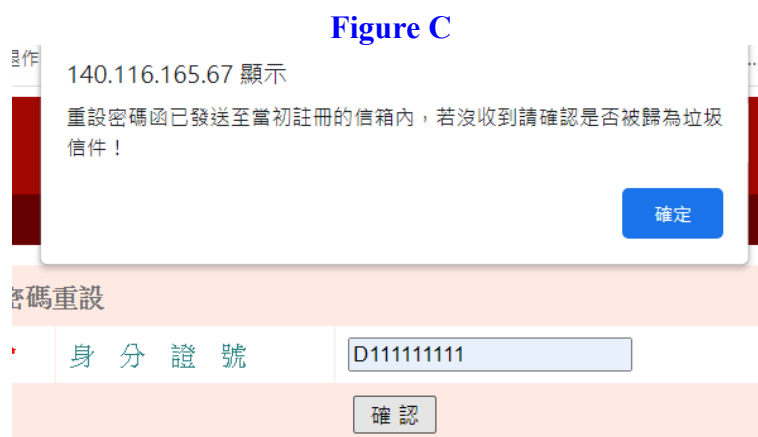

- I. First Login: Click [Apply for Account] in the [Non-NCKU Students] section on the left side of **Figure A**, complete your basic information in **Figure B**, and submit the data and confirm submission to start your course enrollment. While you are allowed not to immediately upload the Consent form for Intercollegiate Course Enrollment Course from your home school, you are required to complete your submission of the form by 5 pm on **September 15 (Tuesday)**. If you fail to submit required data files before the designated submission deadline or if uploaded data files are incomplete, your application for course enrollment will not be accepted for further administration.

- II. Click the [Forgot Password] link in **Figure A**, and the system will guide you to password reset as shown in **Figure C**. After entering and submitting your ID number, a password reset email will be sent to your registered email address. Follow the instructions in the email to reset your password.

III. Operating Instructions:

1. Basic Data Maintenance:

(1) 基本資料維護

Your profile was created when you applied for the account, as shown in **Figure B**. If there are any changes to your personal information, please update your profile here. The Consent Form for Intercollegiate Course Enrollment can be uploaded multiple times, with the last uploaded file used for review. If you have more than two forms, please merge them into one file before uploading submission.

2. Course Selection:

(2) 選課

- (I) Click the link marked as 1 in **Figure D**: To understand the location of the [Unit Code] and [Course Serial Number] in the NCKU Course Catalog System.
- (II) Click the link marked as 2 in **Figure D**: This will guide you to the NCKU Course Catalog System to search for courses, as shown in Figure E. If the Course Catalog System shows that the course is 【Full】 or 【Limited to the department students】 , it is recommended that you should not select the course. However, you can apply for other courses, and then the instructor and the course-offering department will review whether to approve the additional selection.
- (III) Course Selection: After entering the [Unit Code] and [Course Number], complete Steps 3-5 as shown in **Figure D** to temporarily save the data files for course selection; then complete Steps 6-7 to submit the course data for review.

3. Course Review:

(3) 課程審核

To track the general review process: **Instructor** → **Course-offering unit** → **Curriculum Division**. If you see a red text on the screen (marked by the green box in Figure F), please address the problem immediately to avoid affecting your rights to course enrollment.

- (I) Text marked as 1 in Figure F: The red text in the [Review Status] section indicates that the consent form for course enrollment from your home school is not uploaded. Please upload the form on the page of Basic Data Maintenance (click the link marked in green in Figure B).
- (II) Text marked as 2 in Figure F: According to the instruction, please contact the course instructor to receive approval for course enrollment.
- (III) Text marked as 3 in Figure F: According to the instruction, please contact the course instructor to receive the consent form for course selection and upload the form here. Since course review is administered online, a red text will not appear unless the course instructor sets a specific requirement.
- (IV) Text marked as 4 in Figure F: Please click here to cancel course selection during the review process.
